LET NOTHING HOLD YOU BACK.

Leasing offers a variety of benefits.¹ For example, customers who prefer to operate newer equipment can lease instead of purchase and typically pay lower upfront costs and monthly payments.* Leasing is also a convenient option for customers who are not interested in owning equipment or having to sell or trade the equipment. Different lease types are available, all with fixed monthly payments throughout the lease period.

AS AN ADDED CONVENIENCE, CUSTOMERS MAY INCLUDE THE FOLLOWING WITHIN THEIR LEASE PAYMENT:

- Vehicle modifications
- Sales tax
- Vehicle titling fees
- Service solutions
- Extended service contracts

TAX IMPLICATIONS²

Lease payments are typically fully deductible as an operating expense. Consult with your tax preparer and reference your local and state tax laws for more details.

Navistar Financial offers several types of leases in order to best meet the needs of your business. The differences will be explained on the following pages.

* Lease products are only available on new vehicles.

FINANCE LEASE

A finance lease is intended for customers reasonably certain to purchase the vehicle at lease end, for a predetermined amount (typically \$1 or another nominal amount). Lease payments are fixed over the term and generally larger than other lease products.

FINANCE LEASE BENEFITS:

- Compatible with specialized assets
- No mileage restrictions
- The customer owns the vehicle at end of lease

TRAC AND SPLIT TRAC LEASE^{1,3}

Terminal Rental Adjustment Clause (TRAC) and Split TRAC leases typically offer lower monthly payments than purchasing.

If the customer decides not to purchase the vehicle, Navistar Financial can sell the vehicle. The customer will pay selling expenses. The customer will receive any surplus greater than the residual value.

- For a TRAC lease, if the value at lease-end is less than the residual, the customer must pay the full difference
- For a Split TRAC lease, if the value at lease-end is less than the residual, the customer will pay only up to the specified, maximum liability

For either TRAC lease, the customer can refinance the residual at prevailing used bus finance rates or re-lease the vehicle for a reasonable term, subject to credit approval.

TRAC AND SPLIT TRAC BENEFITS:

- Lower payments
- Predetermined residuals
- Options to purchase, refinance the residual, or re-lease the vehicle*

The Next Generation IC BUS® CE SERIES — Ahead of Its Class

* At prevailing used bus finance rates. Subject to credit approval.

THE CHOICE IS YOURS.

CREDIT APPLICATION PROCESS

When it's time to add or replace equipment, consider obtaining a line of credit from Navistar Financial.¹
